(2) Where an objection is made pursuant to Sub-rule (1), the Polling Officer shall make a decision thereon by procuring necessary evidence and shall immediately mention such objection and decision thereon in the decision book.

(3) While making such decision pursuant to Sub-rule (2), if the objection found correct, the sum of the deposit shall be returned by the Polling Officer to the concerned person. If the objection found incorrect, the sum of the deposit shall be forfeited.

33. **Use of Electronic Device:** (1) Notwithstanding anything contained elsewhere in this Rule, the Commission may provide for the use of any electronic device in any election constituency or all election constituencies or any election for the purposes of casting the vote.

(2) In casting vote in the election or election constituency where the Commission has provided for the use of any electronic device pursuant to Sub-rule (1), the voter shall use such electronic device for the purposes of casting a vote.

(3) The procedures for using such electronic device shall be as determined by the Commission.

34. **To Close the Slit of Ballot Box for Inserting Ballot Paper with Security Seal:** After the completion of the act of polling at the Polling Station, the Polling Officer shall close the slit for inserting into the ballot paper with the security seal in accordance with the procedures prescribed by the Commission for closing the ballot box and execute recognizance deed to be signed by the political parties or candidates or their representatives present at the Polling Station and if they do not sign the deed, the Polling Officer shall set down that matter in the deed and get any other two persons present at the Polling Station to sign it.
35. **To Prepare Inventory of Ballot Paper:** Upon the completion of the act of polling, the Polling Officer shall prepare inventories of ballot papers in the format as specified by the Commission.

36. **To Keep Safely the Remaining Ballot Papers and Documents:** Upon the completion of the act of polling, the Polling Officer shall put the following ballot papers remaining after being used in voting and documents used in polling in separate envelopes sealed wish wax-seal, with indicating the type and number of ballot papers contained therein and execute a recognizance deed to be signed by himself or herself and candidates or their representatives present at the Polling Station, if they so desire, and if they do not sign the deed, the Polling Officer shall set down that matter in the deed and get any other two persons present at the Polling Station to sign it:

   a. Ballot papers not used,
   b. Ballot papers that canceled,
   c. Ballot papers lying outside ballot boxes,
   d. Ballot papers returned by voters to the Polling Officer after deciding not to cast vote.
   e. Such other documents required by the direction of the Commission or the Returning Officer to be put in sealed envelopes.

37. **To Handover Ballot Boxes and Documents to the Returning Officer:** (1) The Polling Officer shall safely take and immediately hand over all election materials, including the ballot boxes bearing the security seal put in accordance with Rule 34, the sealed envelopes containing the ballot papers and documents as referred to in Rule 36 as well as other documents to the Returning Officer.

   (2) Upon receipt of ballot boxes and documents pursuant to Sub-rule (1), the Returning Officer shall give a receipt thereof to the Polling Officer.

38. **To Postpone Polling in Special Circumstance:** (1) Where the Polling Officer appointed to a Polling Station or the Returning Officer of that election constituency is satisfied that the act of polling cannot be conducted owing to any commotion as well as other extra ordinary situation at the Polling Station or failure of operation of electronic device owing to any reason or owing to any riot or natural calamity or any act behind control as referred to in Sub section
(1) of Section 40 of the Ordinance, and the polling at the Polling Station has to be postponed, the Polling Officer or the Returning Officer shall execute a recognizance deed indicating the reason for such postponement of polling, to be signed by himself or herself and candidates or their representatives present at the Polling Station, and if they do not sign the deed, the Polling Officer shall set down that matter in the deed and get any other two persons present at the Polling Station to sign it.

(2) After executing the recognizance deed on the postponement of polling pursuant to Sub-rule (1), the Polling Officer or Returning Officer shall publish a notice on the postponement of polling also clearly indicating the reason for the postponement of the polling.

Chapter - 6

Vote Counting and Election Results

39. Publication of Notice of Commencement of Counting of Votes:

(1) After all ballot boxes used for polling at the Polling Stations of the election constituency have been received from the Polling Officer, the Returning Officer shall publish in his or her office a notice in the format as referred to in Schedule -19 for information to political parties and candidates, setting out the date, time and place for counting votes.

(2) The notice referred to in Sub-rule (1) shall also state that any political parties or candidates may if they so wish, appoint and send their vote counting agents in the place for counting votes.

40. To Commence Counting of Votes at Specified Time: (1) The Returning Officer shall commence the counting of votes at the place, date and time specified in the notice published pursuant to Sub-rule (1) of Rule 39 in the presence of political parties and candidates or their vote counting agents.

Provided that, the absence of political party or candidate or their representative shall not be deemed to bar the act of counting of votes.

(2) The Returning Officer shall execute a recognizance deed on the commencement of counting of votes.
(3) The Returning Officer shall give information on the commencement of counting of votes to the Commission.

41. **Examination of Ballot Boxes:** (1) After executing the recognizance deed on the commencement of counting of votes, the Returning Officer shall scrutinize the ballot boxes containing the ballot papers in the presence of the political parties or candidates or their election agents or vote counting agents present thereat as follows:

   (a) Whether the ballot box of each Polling Station has been opened or broken or not.

   (b) Whether the name of the Polling Station, code number and serial number of the ballot box has been mentioned on the ballot box or not.

   (c) Whether the security seal affixed at the closing point of the ballot box is in order or not.

(2) The Returning Officer shall execute a recognizance deed on the examination of ballot boxes pursuant to Sub-rule (1).

(3) Where there appears any disorder or deficiency in examining the ballot boxes pursuant to Sub-rule (1), the Returning Officer shall execute a recognizance deed setting out that matter, to be signed by the political parties, candidates or their representatives present thereat. After the execution of such deed, such ballot boxes shall be kept in a safe place and the counting of ballot papers contained in the other ballot boxes shall commence. After the completion of such vote counting, counting of votes shall commence after making an understanding in relation to the ballot boxes in which such disorder or deficiency has been noticed. In the event of failure to reach understanding, information shall be given to the Commission and it shall be done as per the prevailing law.

42. **Counting of Votes:** (1) The Returning Officer shall, as far as possible, commence the counting of votes under both electoral systems at the same time at the place, date and time set forth in the notice as referred to in Rule 39.

(2) Where it is not possible to so count votes at the same time pursuant to Sub-rule (1), the votes secured by candidates in the election held under the First Past
The Post Electoral System shall be counted first, and only after the completion of the counting of such votes, the votes secured by political parties in the election held under the Proportional Electoral System shall be counted.

43. **Counting of Votes under the First Past The Post Electoral System:**

(1) After the deed on examination of the ballot box has been executed pursuant to Rule 41, the security seal affixed on the ballot boxes used for the purpose of the election held under the First Past The Post Electoral System shall be broken and the lid of the ballot box opened. All ballot papers contained in the ballot box shall be poured out in the place of counting of votes. While so pouring ballot papers, the ballot papers of more than one Polling Station shall be mixed in the same place and votes counted accordingly.

Provided that, prior to mixing the ballot papers of more than one Polling Station in the same place and starting counting of votes, the ballot papers of each Polling Station shall be counted in accordance with the provisions of the directives which approved by the Commission and the counting shall be verified with the total number of votes cast at that Polling Station and details thereof shall be recorded separately and retained sally.

(2) After completion of the counting of votes of all Polling Station in any constituency under the First Past The Post Electoral System, the Returning Officer shall execute a recognizance deed on the completion of counting of votes and prepare a vote counting chart in the format as specified by the guidelines approved by the Commission.

(3) After the preparation of the vote counting chart pursuant to Sub-rule (2), if two or more than two candidates secure an equal number of total valid votes, the Returning Officer shall make a decision by lot to be drawn between those candidates who have secured the highest number of valid votes.

(4) After having prepared the vote counting chart pursuant to Sub-rule (2), the Returning Officer shall, on the basis of that chart, prepare the election result in a format as referred to in Schedule -21 and declare the election result by publishing a copy the election result.
(5) The Returning Officer shall send one copy of the election result pursuant to Sub-rule (4) to the Commission immediately.

(6) While declaring the election result pursuant to Sub-rule (4), the Returning Officer shall declare the candidate who secures the highest number of valid votes as elected.

(7) After the declaration of the election result, the Returning Officer shall give a certificate as referred to in Schedule -21.

(8) After the publication of the election result, the Returning Officer shall prepare an election report in a format as specified by the guidelines approved by the Commission.

44. Counting of Vote under the Proportional Electoral System: (1) After the deed on the examination of ballot boxes has been executed pursuant to Sub-rule 41, the security seal affixed on the ballot boxes used for the purpose of the election held under the proportional electoral system shall be broken and the lid of the ballot boxes opened. All ballot papers contained in those ballot boxes shall be poured out in the place of counting votes. While so pouring ballot papers, the ballot papers of more than one Polling Station shall be mixed in the same place and the votes shall be counted.

    Provided that, prior to mixing the ballot papers of more than one Polling Station in the same place and starting counting of votes, the ballot papers of each Polling Station shall be counted in accordance with the provisions set forth in the guidelines approved by the Commission and the counting shall be verified with the total number of votes cast at that Polling Station, and details thereof shall be recorded separately and kept safely.

(2) While counting ballot papers pursuant to Sub-rule (1), setting aside the invalid ballot papers, the valid ballot papers shall be separated according to the symbols of political parties. After separating and making it bundle in such a way, a deed shall be executed mentioning the total numbers of cast votes of the each Polling Station.
(3) While counting votes, the Returning Officer or the employee deputed by him or her shall show valid or invalid ballot papers to the election representative of the political parties or their vote counting agents.

Provided that, they shall not be allowed to touch or correct ballot papers.

(4) Among the ballot papers set aside pursuant to Sub-rule (2), the invalid ballot papers shall be counted at first. Thereafter, the valid votes secured by the political parties shall be counted.

(5) Among the ballot papers counted, the Returning Officer shall seal the valid or invalid ballot papers in different envelopes with the own sealing wax and of the elected representatives of political parties or their agents.

(6) After completion of counting of votes of the election held under the Proportional Electoral System, the Returning Officer shall execute a recognizance deed on the completion of counting of votes, and shall sign on that deed and also cause to be signed by the election representatives or vote counting agents of political parties, present at the place for counting of votes, in the deed.

(7) Upon the execution of the deed as referred to in Sub-rule (6), the Returning Officer shall mention the total number of valid votes secured by each political party in the chart as specified by guidelines approved by the Commission and also cause to be signed by the election representatives or vote counting agents of political parties.

(8) If the election representatives or vote counting agents of political parties do not sign on the deed or chart to be executed or prepared pursuant to this Rule, the Returning Officer shall mention that matter in the deed and cause to be signed by other two persons present at the place for counting of votes.

(9) The Returning Officer shall send one copy of the vote counting chart as referred to in Sub-rule (7) to the Commission immediately.

45. **Declaration of Results of Proportional Election**: (1) After the vote counting charts have been received from the all Returning Officer pursuant to Sub- rule
(9) of Rule 44, the Commission shall prepare the chart of total valid votes secured by the political party, in the format as referred to in Schedule 23.

(2) The Commission shall declare the candidates as elected, among those candidates whose names are included in the close list of the candidates submitted to the Commission pursuant to Sub-Sections (3) of Section 7 of the Ordinance with the decision of the central executive committee of the concerned political party for the proportional representation under the SubSection, in proportion to the votes secured by that party under the Proportional Electoral System. While declaring in such a manner, the Commission shall declare the candidates as elected under the provision of the Section 7 of the Ordinance.

(3) Where it appears that any political party has not selected the candidates pursuant to Section 7 of the Ordinance, among the candidates enlisted in the closed list of candidates submitted by the party to the Commission in proportion to the votes secured by that party under the Proportional Electoral System as mentioned in Sub-rule (2), the Commission shall give a period of three days to the political party to make corrections accordingly. Where the concerned political party fails to make corrections accordingly and does not submit an amended list of candidates, the Commission shall declare elected the candidates of the concerned political party to the percentage of seats proportionately from the received lists of candidates in a manner to have proportional representation of the group pursuant to Sub-Section (3) of Section 7 of the Ordinance. The other procedure for the examination whether candidates have been selected proportionately or not shall be as determined by the Commission.

(4) The number of seats to be secured by a political party in proportion to the total number of valid votes secured by that political party in the election held under the Proportional Electoral System shall be determined by using result division method as referred to in the Ordinance.

(5) While making allocation of the number of seats pursuant to this Rule, the quotient of more than one political party is equal in relation to any seat, it shall be decided by lot as to which of the political party is to secure that seat.
(6) After the declaration of election results, the Commission shall give a certificate as referred to in Schedule 24 to the elected candidate.

(7) The other procedure for the allocation of the number of seats in proportion to the votes secured by political parties in the election under the Proportional Electoral System shall be as determined by the Commission.

Chapter -7
