Motor Vehicles and Transport Management Rules, 2054 (1997)

Date of publication in the Nepal Gazette
2054.3.12 (26 June 1997)

Amendments:

1. Motor Vehicles and Transport Management (First Amendment) Rules, 2004 2061.6.7
2. Motor Vehicles and Transport Management (Second Amendment) Rules, 2066 (2010) 2066.5.17
3. Motor Vehicles and Transport Management (Third Amendment) Rules, 2066 (2010) 2067.1.27

In exercise of the powers conferred by Section 179 of the Motor Vehicles and Transport Management Act, 2049 (1993), Government of Nepal has framed the following Rules.

Chapter-1

Preliminary

1. **Short title and commencement:** (1) These Rules may be cited as the “Motor Vehicles and Transport Management Rules, 1997.”
   (2) These Rules shall come into force forthwith.

2. **Definitions:** Unless the subject or the context otherwise requires, in these Rules:
   (a) “Act” means the Motor Vehicles and Transport Management Act, 1993.
   (b) “Office” means the Transport Management Office.
Chapter-2

Provisions relating to registration of motor vehicles

3. **Registration of entry of motor vehicle:** (1) The owner of a motor vehicle imported from abroad shall, after the entry of the motor vehicle into Nepal, make an application, in the format as referred to in Schedule-1, to the police office situated in the place of entry of the motor vehicle for the registration of entry pursuant to Section 13 of the Act.

   (2) The concerned police office shall, upon examining, as required, the application made pursuant to Sub-rule (1), register the entry of such a motor vehicle subject to the Act and the other provisions set forth in these Rules and give an evidence of the motor vehicle entry registration, in the format as referred to in Schedule-2, to the concerned owner of motor vehicle.

4. **Registration of motor vehicle:** (1) While obtaining the registration of a motor vehicle required to be registered pursuant to Section 14 of the Act, an application must be made to the Office with which the applicant intends to register the motor vehicle, in the format as referred to in Schedule-3 and accompanied by the following documents in addition to the documents set forth in Section 15 of the Act and by the fees as referred to in Schedule-3:

   (a) In the event of importation of a motor vehicle registered in a foreign country, a copy of the registration certificate;

   (b) The original copy of the entry registration as referred to in Rule 3;

   (c) In the event that the owner of motor vehicle is not present in person and has sent some one else, the letter of authorization thereof.

   (2) The Office shall, upon examining, as required, the application made pursuant to Sub-rule (1), register the motor vehicle in the motor vehicle
register as referred to in Schedule-5 maintained in the Office, subject to the Act and the other provisions set forth in these Rules, and issue the registration certificate to the applicant.

(3) The Office shall issue a number plate code with figures and letters as referred to in Schedule-6 to the owner of a motor vehicle registered pursuant to Sub-rule (2). The owner of motor vehicle shall display such number plate code on the concerned motor vehicle in a conspicuous manner.

(4) A number plate pursuant to Sub-rule (3) shall have to be embossed.

Explanation: For the purpose of Sub-rule (4), "Embossed" means an act of writing, in an elevated manner, in figures and letters through electronic and mechanical means in metal plate.

5. **Provisional registration of motor vehicle:** If it is necessary to obtain provisional registration of a motor vehicle on the occurrence of any condition set forth in Section 19 of the Act, the owner of motor vehicle concerned shall make an application to the Office with which the applicant intends to register the motor vehicle, in the format as referred to in Schedule-7 and accompanied by the fees as referred to in Schedule-3.

6. **Transfer registration of motor vehicle:** (1) If it is required to ply a motor vehicle in a region other than the region in which it has been registered, the owner of the motor vehicle shall obtain the approval of transfer registration from the Office with which the vehicle has been registered previously and make an application to the Office with which the applicant intends to register it at present, in the format as referred to in Schedule-8 and accompanied by the fees as referred to in Schedule-3, pursuant to Section 27 of the Act, within Thirty Five days of the obtaining such an approval.

---

1 Amended by the Third Amendment
2 Inserted by the Third Amendment
(2) If an application referred to in Sub-rule (1) is made and the Office, upon making necessary examination in relation to the application subject to the criteria specified pursuant to Section 23 of the Act, finds it appropriate to make transfer registration of the motor vehicle as per the request of the applicant, the Office may register the transfer of that motor vehicle, subject to the Act and the other provisions set forth in these Rules.

(3) In the event of registration of transfer of a motor vehicle pursuant to Sub-rule (2), the Office shall give information thereof to the Office with which the vehicle has been registered previously and the concerned Office shall, upon receipt of such information, obliterate the records of previous registration.

7. **Provisions relating to permission to ply motor vehicle registered abroad:**

(1) A person who intends to obtain permission to ply a motor vehicle registered in a foreign country within Nepal pursuant to Section 30 of the Act shall have to make an application to the Office, in the format as referred to in Schedule-9 and accompanied by the fees as referred to in Schedule-3.

(2) If the Office, upon making necessary examination in relation to the application made pursuant to in Sub-rule (1), considers it appropriate to give permission as per the request of the applicant, the Office may give permission in the format as referred to in Schedule-10, subject to the Act and the other provisions set forth in these Rules.

8. **Renewal of registration certificate:**

(1) A person who intends to obtain the renewal of a registration certificate pursuant to Section 31 of the Act shall have to make an application to any Office, in the format as referred to in Schedule-11.

(2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary technical examination in relation to the motor vehicle, finds it appropriate to renew the registration certificate as per the request of the
applicant, the Office may renew the registration certificate, subject to the Act and the other provisions set forth in these Rules.

(3) Notwithstanding anything contained in Sub-rule (1), only the Office which has made original registration shall renew the following motor vehicles:

(a) motor vehicles registered as diplomatic vehicles;
(b) motor vehicles registered in the name of persons enjoying diplomatic facilities;
(c) motor vehicles registered provisionally.

(4) If a registration certificate issued by one Office is renewed by another Office, the Office making such renewal shall give information thereof to the Office making registration of such a motor vehicle as promptly as possible, and if such information is received, the Office with which the motor vehicle has been registered shall mention the matter of the renewal of the registration certificate of the motor vehicle in the motor vehicle register as referred to in Schedule-5.

9. **Transmission of motor vehicle:** (1) For the transmission of a motor vehicle registered in the name of a person to another person, the owner of motor vehicle concerned shall make an application to the Office with which the motor vehicle has been registered, in the format as referred to in Schedule-12 and accompanied by the documents as set forth in Sub-section (1) of Section 37 of the Act and the fees as referred to in Schedule-3.

(2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination in relation to the application, finds it appropriate to transmit the motor vehicle as per the request of the applicant, the Office shall execute transmission of the motor vehicle, subject to the Act and the other provisions set forth in these Rules.
10. **Transmission of motor vehicle of which owner is dead:** (1) If the owner of a motor vehicle registered dies and a person who is the successor to the owner under the laws in force intends to have the motor vehicle transmitted to that person's name, such person shall have to make an application to the Office with which the motor vehicle has been registered, in the format as referred to in Schedule-13 and accompanied by the documents as set forth in Sub-section (2) of Section 37 of the Act and the fees as referred to in Schedule-3.

(2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination in relation to the application, finds it appropriate to transmit the motor vehicle as per the request of the applicant, the Office shall execute transmission of the motor vehicle, subject to the Act and the other provisions set forth in these Rules.

11. **Prohibition on transmission of motor vehicle:** Notwithstanding anything contained in Rules 9 and 10, where a motor vehicle registered in the name of a person is so damaged due to a motor vehicle accident or otherwise that its engine and chassis are both seized beyond repair, such a motor vehicle shall not be transmitted to the name of any other person.

12. **Alteration in motor vehicle equipment:** (1) If the owner of motor vehicle intends to make any alteration in the colour, number of seats, structure, engine or chassis of the motor vehicle pursuant to Section 39 of the Act, the owner shall have to make an application to the Office with which the motor vehicle has been registered, in the format as referred to in Schedule-14, for obtaining approval for such an alteration.

(2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination by the concerned technician of the motor vehicle, finds it appropriate to alter the colour, number of seats, structure, engine or chassis of the motor vehicle as per the request of the applicant, the Office may give approval for altering the colour, number of seats, structure,
engine or chassis of the motor vehicle, subject to the Act and the other provisions set forth in these Rules.

13. **Revocation of registration certificate:** (1) If the owner of a motor vehicle intends to have revocation of the registration certificate of the motor vehicle owing to the circumstance as set forth in Section 41 of the Act, the owner shall have to make an application to the Office with which the motor vehicle has been registered, in the format as referred to in Schedule-15.

   (2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination in relation to the motor vehicle, finds it appropriate to revoke the registration certificate as per the request of the applicant, the Office shall have to revoke the registration certificate, mention that matter in the register and cross off the record of such a motor vehicle, subject to the Act and the other provisions set forth in these Rules.

14. **Duplicate copy of registration certificate:** (1) If it is required to obtain a duplicate copy of the registration certificate of a motor vehicle owing to the circumstance as set forth in Section 43 of the Act, the owner of motor vehicle concerned shall make an application to the Office which has issued the registration certificate in the format as referred to in Schedule-16 and accompanied by the fees as referred to in Schedule-3.

   (2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination in relation to the application, is of the opinion that it is necessary to issue a duplicate copy of the registration certificate as per the request of the applicant, the Office shall issue a duplicate copy of the registration certificate, subject to the Act and the other provisions set forth in these Rules, and give information thereof to the concerned police office.
Chapter-3

Classification, standards and capacity of public motor vehicles

15. Classification, standards and capacity of passenger motor vehicles: The standards and capacity of passenger motor vehicles shall be as follows:

(a) Bus: With the seating capacity of 26 to 56 passengers including the driver,

(b) Minibus: With the seating capacity of 15 to 25 passengers including the driver,

(c) Jeep, van, pick-up and microbus: With the seating capacity of a maximum of 14 passengers including the driver,

(d) Car and taxi: With the seating capacity of a maximum of five passengers including the driver,

(e) Tempo: A meter installed tempo with the seating capacity of a maximum of 4 passengers, and in the case of a tempo other than a meter installed one, with the seating capacity of a maximum of 13 passengers including the driver,

(f) Motor cycle, scooter and sunshine: With the seating capacity of a maximum of two passengers including the driver.

16. Classification, standards and capacity of cargo motor vehicles: The standards and capacity of cargo motor vehicles shall be as follows:

(a) Truck and tanker: On the front side, three seats including the driver, and on the rear side, with the load bearing capacity of a maximum of 10.2 tons per axle and a space accommodating a maximum loader of five persons on a slipper,

(b) Mini truck: On the front side, three seats including the driver, and on the rear side, with the load bearing capacity of a maximum of five tons
and a space accommodating a maximum loader of four persons on a slipper,

(c) **Power tiller:** With the capacity of a maximum of one seat including the driver and the load bearing capacity of a maximum of one ton,

(d) **Pick-up:** With the capacity of a maximum of five seats including the driver and the load bearing capacity of a maximum of one ton,

17. **Classification and capacity of other motor vehicles:** The classification and load bearing capacity of other motor vehicles such as dozers, loaders, dumpers, cranes, fire brigades, road roller and scaveters, other than the motor vehicles set forth in Rules 15 and 16 shall be as specified by the Government of Nepal by a notification in the Nepal Gazette having regard, *inter alia*, to the description set forth in the declaration forms and the structures and features of respective motor vehicles, subject to the catalogues, specifications or criteria issued by the manufacturers of such respective motor vehicles.

18. **Standards, period of operation and speed of passenger motor vehicles:**
   (1) For the purposes of Sub-section (4) of Section 6 of the Act, the standards of the following passenger motor vehicles are, hereby, determined as follows:

   (a) **Direct bus service:**

   (1) With the seating capacity of a maximum of 40 including the driver,

   (2) The length, breadth and height of seats ranging from 16 to 19 inches and the height of the backbone of folding seats with 35 to 45 degrees ranging from 22 to 26 inches,

   (3) Seats in Two rows, the corridor from One row to the other being at least 14 inches and the distance
from the seat row to the leg place being at least 13 inches,

(4) The inner height of a bus being 66 inches, the carrier of roof being half the total length of the bus and height eight inches,

(5) The first step of the entry door of a bus being a maximum of one foot high from the land surface,

(6) Provision of a fire extinguisher in the bus,

(7) Provision of an emergency exit in an appropriate place of the bus,

(8) Provision of primary treatment including necessary medicines and aids in the bus,

(9) The condition of window locks in the bus being in order,

(10) The condition of soak observer in the bus being in order.

(b) Express bus service:

(1) With the seating capacity of a maximum of 50 including the driver,

(2) The length, breadth and height of seats being at least 15, 15 and 15 inches, respectively, and the height of the backbone of seats being at least 18 inches,
(3) Seats in 2/3 rows, the corridor from one row to the other being 14 inches and the distance from the seat row to the leg place being at least 11 inches,

(4) The inner height of a bus being at least 66 inches,

(5) The first step of the entry door of a bus being a maximum of one foot high from the land surface,

(6) Provision of a fire extinguisher in the bus,

(7) Provision of an emergency exit in an appropriate place of the bus,

(8) Provision of primary treatment including necessary medicines and aids in the bus,

(9) The condition of window locks in the bus being in order,

(10) The condition of soak observer in the bus being on order.

(c) **Local bus service:**

(1) With the seating capacity of a maximum of 56 including the driver,

(2) The length, breadth and height of seats being at least 15, 15 and 15 inches, respectively, and the height of the backbone of seats being at least 18 inches,
(3) The corridor from one row to the other being at least 14 inches and the distance from the seat row to the leg place being 11 inches,

(4) The inner height of a bus being at least 66 inches,

(5) The first step of the entry door of a bus being a maximum of one foot high from the land surface.

(d) **Mini bus:**

(1) With the seating capacity of a maximum of 25 including the driver,

(2) The length, breadth and height of seats being at least 15, 15 and 15 inches, respectively, the height of the backbone of seats being at least 22 inches, and rows being a maximum of 2/2,

(3) The corridor from one row of seats to the other being at least 14 inches and the distance from the seat row to the leg place being 13 inches,

(4) The inner height of a mini bus being at least 64 inches,

(5) The first step of the entry door of a bus being a maximum of one foot high from the land surface.

(e) **Micro bus:**

(1) With the seating capacity ranging from 12 to 14 including the driver,

(2) The length of seats being at least 15 inches, breadth being at least 16 inches and height being at least 15

---

13 Inserted by the First Amendment.
inches, the height of the backbone of seats being at least 22 inches, the distance of leg place being 11 inches, and all the seats having front face,

(3) The inner height of the micro bus being at least 1345 mm,

(4) The first step of the entry door of the micro bus being a maximum of one foot high from the land surface,

(5) The condition of window locks in the micro bus being in order.

(2) A bus which operates under the direct service shall be allowed to operate for up to Five years after the date of its initial operation, and thereafter, it may be allowed to operate for up to additional Three years after carrying out test or examination of the mechanical and technical condition of such a motor vehicle and other necessary matters each year.

(3) A bus which operates under the express service shall be allowed to operate for up to Eight years after the date of its initial operation, and thereafter, it may be allowed to operate for up to additional Four years after carrying out test or examination of the mechanical and technical condition of such a motor vehicle and other necessary matters each year.

(4) A mini bus which operates under the express service shall be allowed to operate for up to Eight years after the date of its initial operation, and thereafter, it may be allowed to operate for up to additional Seven years after carrying out test or examination of the mechanical and technical condition of such a motor vehicle and other necessary matters each year.
(4a)\textsuperscript{14} A micro bus which operates under the express service on a long route and a medium route shall be allowed to operate for up to Five years after the date of its initial operation, and thereafter, it may be allowed to operate for up to additional Three years after carrying out test or examination of the mechanical and technical condition of such a motor vehicle and other necessary matters each year.

(4b)\textsuperscript{15} A local bus service, mini bus and micro bus operating on long, medium and short routes must have the provision of, \textit{inter alia}, primary treatment including necessary medicines and aids and a fire extinguisher, in addition to the other matters set forth in this Rule.

(4c)\textsuperscript{16} Notwithstanding anything contained elsewhere in these Rules, permission may be given to operate the direct bus service in day service and night service and to operate the express bus service, local bus service, mini bus and micro bus in day service only. Provided that, in the case of the micro bus, route permit may be issued only for a distance of a maximum of 300 kilometers.

(5) For the purposes of Sub-section (4) of Section 6 of the Act, the speed of the following motor vehicles is hereby determined as follows:

(a) Car, jeep, van and pick up: a maximum of 80 kilometers per hour,

(b) Tempo, scooter, power tiller and tractor: a maximum of 40 kilometers per hour,

(c) Motor cycle: a maximum of 50 kilometers per hour,

\textsuperscript{14} Inserted by the First Amendment.
\textsuperscript{15} Inserted by the First Amendment.
\textsuperscript{16} Inserted by the First Amendment.
(d) Bus, mini bus, truck and mini truck: a maximum of 50 kilometers per hour on a hilly road and a maximum of 70 kilometers per hour on a plane/surface road.

Provided that, any motor vehicle must not be driven at a speed exceeding 40 kilometers per hour in an area with dense settlement.

(6) The Department may determine the speed of motor vehicles other than those referred to in Sub-rule (5) and, in the case of the motor vehicles whose speed has been determined, alter the speed of those vehicles, having regard, inter alia, to the geographical situation and the condition of road.

(7) Notwithstanding anything contained in Sub-rules (5) and (6), if any notice or signal relating to the speed of motor vehicles in any place pursuant to Section 115 of the Act, motor vehicles must be driven in such a place at the speed mentioned in that notice or signal.

(8) A driver driving a passenger motor vehicle shall depart the motor vehicle and arrive at the destination at the time specified in the schedule determined by the Office issuing the route permit.

(9) Except in the case of a circumstance beyond control, no motor vehicle must be taken to the destination in such a manner as to be later than the time referred to in Sub-rule (8) or as causing inconvenience to passengers or abandon them.

19. **Tourist motor vehicle**: (1) The following motor vehicle shall be registered as a tourist motor vehicle pursuant to Section 7 of the Act:

(a) A motor vehicle registered in the name of a tourism entrepreneur licensed to carry on tourism business pursuant to the laws in force,
(b) A motor vehicle used in tourism business by a tourism entrepreneur licensed to carry on tourism business pursuant to the laws in force despite that the motor vehicle has been purchased by a loan disbursed by a financial institution and registered in the name of the financial institution.

(2) A tourism motor vehicle must not transport passengers and cargo like any other public motor vehicle.

Chapter-4

Provisions relating to driving license

20. **Application for driving license:** (1) A person who intends to obtain a driving license pursuant to Section 48 of the Act shall make an application to any Office in the format as referred to in Schedule-17 and accompanied by the fees as referred to in Schedule-3.

(2) While making an application pursuant to Sub-rule (1), it must be accompanied also by a fitness certificate making certification in the format as referred to in Schedule-18 by a medical doctor recognized by the Government of Nepal in relation to the fitness of the applicant.

(3) The driving license shall be issued only to those persons who have passed the examination given for the driving license pursuant to Section 49 of the Act, out of the persons who have made applications pursuant to Sub-rule (1).

(4) While issuing the driving license pursuant to Sub-rule (3), the driving license may be issued separately for a private motor vehicle and a public motor vehicle.

(5) Notwithstanding anything contained elsewhere in this Rules, upon the commencement of these Rules, no license shall be issued to a person who
has completed the age of Sixty years\textsuperscript{17} to drive heavy and medium public motor vehicles.

(6) No driving license shall be issued to drive medium and heavy motor vehicles other than tractors\textsuperscript{18} until Two years have passed after starting to drive a light motor vehicle.

\textbf{19}20A. \textbf{To be provided in form of Electronic Smart Card}: A driving license pursuant to Rule 20 shall be issued in form of Electronic Smart Card.

21. \textbf{Driving license register}: The Office shall prepare and maintain a driving license register in the format as referred to in Schedule-18 in order to maintain updated records of the driving licenses issued pursuant to Rule 20.

22. \textbf{Endorsement of other motor vehicles in driving license}: (1) If any driver wishes to get endorsed any other motor vehicle in the driving license issued pursuant to Rule 20, in addition to those already mentioned therein, the driver shall have to make an application to the Office which has issued that license, in the form as referred to in Schedule-17\textsuperscript{20} and accompanied by the fees as referred to in Schedule-3, indicating the type of vehicle desired for endorsement pursuant to Section 55 of the Act.

(2) Following the procedures as referred to in Section 55 of the Act in relation to the application made pursuant to Sub-rule (1), the Office shall endorse the motor vehicle intended for endorsement in the applicant's driving license, in addition to the motor vehicles set forth in that license previously issued to him or her and issue a new driving license to him or her.

23. \textbf{Renewal of driving license}: (1) A driver shall make an application to the Office which has issued the driving license, in the format as referred to in

\begin{footnotesize}
\begin{itemize}
\item \textsuperscript{17} Amended by the First Amendment.
\item \textsuperscript{18} Inserted by the First Amendment.
\item \textsuperscript{19} Inserted by the Third Amendment.
\item \textsuperscript{20} Amended by the First Amendment.
\end{itemize}
\end{footnotesize}
Schedule-21 and accompanied by the fees as referred to in Schedule-3, for the renewal of the driving license pursuant to Section 56 of the Act.

(2) While making an application for the renewal of a driving license pursuant to Sub-rule (1), it must be accompanied also by a physical fitness certificate in the format as referred to in Schedule-18.

(3) If an application is made for the renewal of a driving license pursuant to Sub-rule (1) and the Office, upon making necessary examination, finds it appropriate to renew the driving license, the Office shall renew the driving license, subject to the Act and the other provisions set forth in these Rules and maintain records thereof in the driving license register as referred to in Schedule-19.21

(4) If a driving license issued by one Office is renewed by another Office pursuant to Sub-rule (3), the Office making such renewal shall give information thereof to the Office issuing that driving license as promptly as possible, and if such information is received, the Office issuing that driving license shall mention the matter of renewal of that driving license in the register as referred to in Schedule-23.

24. **Duplicate copy of driving license:** (1) If it is required to obtain a duplicate copy of the driving license owing to the occurrence of a circumstance as set forth in Section 62 of the Act, the concerned driver shall make an application to the Office which has issued the driving license in the form as referred to in Schedule-24 and accompanied by the fees as referred to in Schedule-3.

(2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination in relation to the application, is of the opinion that it is necessary to issue a duplicate copy of the driving license as per the request of the applicant, the Office shall issue a duplicate copy of the

21 Amended by the First Amendment.
driving license, subject to the Act and the other provisions set forth in these Rules, and record that matter in the driving license register as referred to in Schedule-19.

25. **Notice of death of driver to be given:** (1) In the event of death of a person who has obtained a driving license pursuant to the Act and these Rules, the close relative of the deceased shall obtain a death certificate in relation to the deceased in accordance with the laws in force and submit a copy thereof to the Office which has issued the driving license.

   (2) While giving information of death pursuant to Sub-rule (1), the driving license of the deceased must also be submitted if it is available, and upon receipt of such information, the concerned Office shall obliterate his or her records from the driving license register as referred to in Schedule-19.

### Chapter-5

**Provisions relating to conductor license**

26. **Application for conductor license:** (1) A person who intends to obtain the conductor license pursuant to Section 66 of the Act shall make an application to any Office in the format as referred to in Schedule-25 and accompanied by the fees as referred to in Schedule-3.

   (2) While making an application pursuant to Sub-rule (1), it must be accompanied also by a physical fitness certificate making certification in the format as referred to in Schedule-26 by a medical doctor recognized by the Government of Nepal in relation to the physical fitness of the applicant.

   (3) If an application is made for the conductor license pursuant to Sub-rule (1), the Office shall issue the conductor license upon fulfilling the procedures set forth in Section 67 of the Act.

27. **Conductor license register:** The Office issuing the conductor license shall prepare and maintain a conductor license register in the format as referred to in
Schedule-27 in order to maintain updated records of the conductor license issued pursuant to Rule 26.

28. **Renewal of conductor license:** (1) A conductor shall have to make an application to any Office, in the format as referred to in Schedule-28 and accompanied by the fees as referred to in Schedule-3, for the renewal of the conductor license pursuant to Section 68 of the Act.

   (2) While making an application for the renewal of conductor license pursuant to Sub-rule (1), it must be accompanied also by a fitness certificate of the applicant in the format as referred to in Schedule-26.

   (3) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination, finds it appropriate to renew the conductor license, the Office shall renew the conductor license, subject to the Act and the other provisions set forth in these Rules and maintain records thereof in the conductor license renewal register as referred to in Schedule-29.

   (4) If a conductor license issued by one Office is renewed by another Office pursuant to Sub-rule (3), the Office making such renewal shall give information thereof to the Office issuing that conductor license as promptly as possible, and if such information is received, the Office issuing that conductor license shall mention the matter of renewal of that conductor license in the register as referred to in Schedule-30.

29. **Duplicate copy of conductor license:** (1) If it is required to obtain a duplicate copy of the conductor license, the concerned conductor shall make an application to the Office which has issued the conductor license in the format as referred to in Schedule-31 and accompanied by the fees as referred to in Schedule-3.

   (2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination in relation to the application, is of the
opinion that it is necessary to issue a duplicate copy of the conductor license as per the request of the applicant, the Office shall issue a duplicate copy of the conductor license, subject to the Act and the other provisions set forth in these Rules, and record that matter in the conductor license register as referred to in Schedule-27.

Chapter-6

Transport management

30. Application for route permit: (1) The owner or manager of motor vehicle who intends to obtain the route permit pursuant to Section 76 of the Act shall make an application to the concerned Office in the format as referred to in Schedule-32 and accompanied by the fees as referred to in Schedule-3, for the route permit.

(2) While making an application pursuant to Sub-rule (1) for the route permit, it must be accompanied also by duplicate copies of appointment letters given by the owner or manager of motor vehicle concerned to the drivers and conductors, in the format as referred to in Schedule-62.

(3) If the owner or manager of motor vehicle using a route permit intends to cease to operate the motor vehicle on that route but to operate it on another route, the application must also be accompanied by a letter of consent given by the Office which has issued the previous route permit, for obtaining the route permit for the operation of the motor vehicle.

31. Route change: (1) If the owner or manager of motor vehicle concerned intends to use a route other than the route mentioned in the route permit issued pursuant to Section 77 of the Act, the owner or manager shall make an application to the Office which has issued the route permit in the format as referred to in Schedule-33 and accompanied by the fees as referred to in Schedule-3, for using that other route pursuant to Section 79 of the Act.
(2) If an application is made pursuant to Sub-rule (1), the Office shall issue a new route permit pursuant to Section 79 of the Act.

32. **Ad hoc route permit:** (1) If the owner or manager of motor vehicle intends to obtain the *ad hoc* route permit pursuant to Section 81 of the Act, the owner or manager shall make an application to the concerned Office in the format as referred to in Schedule-34 and accompanied by the fees as referred to in Schedule-3.

   (2) If an application is made pursuant to Sub-rule (1), the Office shall inquire into the matter and issue the *ad hoc* route permit in the format as referred to in Schedule-35 for the period as referred to in Section 81 of the Act.

33. **Standards of public motor vehicles providing transport service on medium and long routes:** The standards of public motor vehicles providing the transport service on medium and long routes pursuant to Section 82 of the Act shall be as prescribed by the Government of Nepal by a Notification in the Nepal Gazette.

34. **Renewal of route permit:** (1) An application must be made to the Office which has issued a route permit, in the format as referred to in Schedule-36 and accompanied by the fees as referred to in Schedule-3, for the renewal of the route permit pursuant to Section 36 of the Act.

   (2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination of the application, finds it appropriate to renew the route permit, the Office shall renew the route permit, subject to the Act and the other provisions set forth in these Rules.

35. **Suspension of route permit:** (1) The owner or manager of a motor vehicle in respect whereof a route permit has been issued shall make an application, specifying the reason why the motor vehicle is not capable of being plied, to the Office which has issued that route permit, in the format as referred to in
Schedule-37, for the suspension of the route permit pursuant to Section 86 of the Act, prior to the expiration of the period set forth in the route permit issued pursuant to Sections 77, 79, 80 and 83 of the Act.

(2) If an application is made pursuant to Sub-rule (1), the Office shall, upon making necessary examination of the application, suspend the route permit, pursuant to Section 86 of the Act.

(3) In the case of a motor vehicle other than that mentioned in Sub-rule (2), the owner or manager of motor vehicle shall submit such documents as may be sought by the Office pursuant to the Act and these Rules. In the event of failure to produce the documents so sought or such documents appearing doubtful despite their submission, the Office may suspend the route permit issued under the Act and these Rules in relation to such a motor vehicle.

36. **Transmission of route permit:** If the owner or manager of any motor vehicle having obtained the route permit pursuant to the Act and these Rules transmit the motor vehicle by way of sale or otherwise and the new owner or manager of the motor vehicle having obtained such a route permit intends to use such a route permit and makes an application for the transmission of route permit, the concerned Office shall execute the transmission of such a route permit.

37. **Route permit register:** The records of the route permits, route change permits, ad hoc route permits, route permit renewal, route permit suspension and route permit transmission issued and effected pursuant to the Act and these Rules shall be maintained in the route permit register as referred to in the Schedule-38 in an updated manner.

38. **Duplicate copy of route permit:** (1) If it is required to obtain a duplicate copy of the route permit owing to the circumstance as referred to in Section 88 of the Act, the owner or manager of motor vehicle concerned shall make an
application to the concerned Office in the format as referred to in Schedule-39 and accompanied by the fees as referred to in Schedule-3.

(2) The Office shall, upon making necessary examination pursuant to Section 88 of the Act in relation to the application made pursuant to Sub-rule (1), issue a duplicate copy of the route permit to the applicant and give information thereof to the concerned police office.

39. **Application for road test certificate:** (1) The owner or manager of motor vehicle who intends to obtain the road test certificate pursuant to Section 90 of the Act shall make an application to the concerned Office in the format as referred to in Schedule-40 and accompanied by the fees as referred to in Schedule-3, for the road test pursuant to Section 90 of the Act, prior to operating the motor vehicle.

(2) If an application is made pursuant to Sub-rule (1), the Office shall cause the concerned technician to carry out necessary test of the concerned motor vehicle in accordance with the road test description format as referred to in Schedule-41, and if the details as referred to in the road test description form appears to be correct, the Office shall issue the road test certificate in the format as referred to in Schedule-42, subject to the Act and the other provisions set forth in these Rules.

(3) If, during the validity of the road test certificate issued pursuant to Sub-rule (2), any motor vehicle is not found to be in order upon testing it by the competent authority, transport inspector or concerned traffic police, such authority or inspector or police may give a time limit of Fifteen days for the necessary repair and maintenance of that motor vehicle and may give a time limit of an additional Fifteen days if that time limit is not sufficient for the repair and maintenance of the motor vehicle, and it shall be the duty of the owner or manager of motor vehicle concerned to carry out repair and maintenance within that time limit.
(4) Such a motor vehicle must not be plied without carrying out its required repair and maintenance within the time limit given pursuant to Sub-rule (3).

40. **Requirement of re-road test:** (1) The owner or manager of motor vehicle shall, pursuant to Section 92 of the Act, make an application to the Office which has issued the road test certificate, in the format as referred to in Schedule-43, for re-road test after the expiry of the period set forth in the road test certificate issued pursuant to Section 90 of the Act.

   (2) If an application is made pursuant to Sub-rule (1) for re-road test, the Office shall cause necessary test to be conducted pursuant to Sub-rule (2) of rule 39 and issue the re-road test certificate, subject to the Act and the other provisions set forth in these Rules.

41. **Suspension of road test certificate:** (1) The owner or manager of motor vehicle concerned shall make an application, specifying the reason why the motor vehicle is not capable of being plied, to the concerned Office, in the format as referred to in Schedule-44, for the suspension of the road test certificate, prior to the expiry of the period set forth in the road test certificate issued pursuant to Sections 91 and 92 of the Act.

   (2) If an application is made pursuant to Sub-rule (1) for the suspension of the road test certificate, the Office shall, if it considers appropriate to suspend the road test certificate upon making necessary examination, suspend it.

42. **Duplicate copy of road test certificate:** (1) If it is required to obtain a duplicate copy of the road test certificate, the owner or manager of motor vehicle concerned shall make an application to the concerned Office, in the format as referred to in Schedule-45, accompanied by the fees as referred to in Schedule-3, for the duplicate copy of the road test certificate.
(2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination in relation to the application, is of the opinion that it is necessary to issue a duplicate copy of the road test certificate as per the request of the applicant, the Office shall issue the duplicate copy of the road test certificate.

43. **Road test register**: The Office shall maintain a road test certificate register in the format as referred to in Schedule-46 in order to maintain updated records of the road test certificates issued, re-road test conducted and suspension of road test certificate made pursuant to Sections 91 and 92 of the Act and Rules 39, 40 and 41.

44. **Listing the name of transport service**: (1) The owner or manager of motor vehicle who intends to operate the transport service by listing the name of transport service pursuant to Section 93 of the Act shall make an application to the Department, in the format as referred to in Schedule-47 and accompanied by the following documents and the fees as referred to in Schedule-3:

(a) Citizenship certificates of the proprietor, partners or first directors,

(b) Registration certificates of the motor vehicles under the transport service intended to be operated,

(c) Where the transport service intended to be operated was operated in any other name previously, the registration certificate, income tax registration certificate and tax clearance certificate,

(d) The memorandum of association and articles of association of the transport service intended to be operated,
(e) Duplicate copies of appointment letters as referred to in Schedule-62 given to the drivers and conductors serving under the transport service intended to be operated and description of other employees.

(2) If an application is made pursuant to Sub-rule (1) and the Office, upon making necessary examination of the application, finds it appropriate to list the name of such transport service and issue the license to operate the transport service, the Office shall list the transport service in the transport service listing register and issue the license to operate the transport service, in the format as referred to in Schedule-48, subject to the Act and the other provisions set forth in these Rules.

45. **Renewal of conductor license**: (1) The owner or manager of motor vehicle shall make an application to the Department, in the format as referred to in Schedule-49 and accompanied by the fees as referred to in Schedule-3, for the renewal of the license to operate transport service, after the expiry of the period set forth in such a license.

(2) If an application is made pursuant to Sub-rule (1) and the Department, upon making necessary examination of the application, finds it appropriate to renew the license to operate transport service, the Department shall renew the license to operate transport service, subject to the Act and the other provisions set forth in these Rules.

(3) The Department shall maintain records of the renewal of the license to operate transport service made pursuant to Sub-rule (2) in the transport service register as referred to in Schedule-48.

46. **Suspension of license to operate transport service**: (1) If the owner or manager of a motor vehicle having obtained the license to operate transport service is not able to operate the transport service, the owner or manager shall
make an application, accompanied by the reason for the same, to the Department, in the format as referred to in Schedule-37, for approval to suspend the transport service.

(2) If Department, upon making necessary examination in relation to the application made pursuant to Sub-rule (1), finds it appropriate to suspend the license to operate transport service, it shall give approval to suspend the operation of transport service, in the format as referred to in Schedule-51.

(3) The contents of the approval given to suspend the transport service pursuant to Sub-rule (1) must also be recorded in the transport service listing register as referred to in Schedule-48.

(4) The owner or manager of motor vehicle concerned may make an application to the Department, in the format as referred to in Schedule-52 and accompanied by the documents set forth in rule 45 for a license to re-operate the suspended transport service within the period set forth in the license to operate the transport service which is suspended pursuant to Sub-rule (2).

(5) If an application is made pursuant to Sub-rule (1) and the Department, upon making necessary examination of the application, finds it appropriate to operate such transport service, it may issue the license to operate the transport service, in the format as referred to in Schedule-53, subject to the Act and the other provisions set forth in these Rules, and mention the matter in the transport service register as referred to in Schedule-48.

47. **Transmission of license to operate transport service:** If the owner or manager of any motor vehicle having obtained the license to operate the transport service transmits the motor vehicle by way of sale of the motor vehicle to another person or otherwise and the new owner or manager of the motor vehicle makes an application in the format as referred to in Schedule-54 and accompanied by the documents set forth in Sub-rule (1) of Rule 45 for the
transmission of the license to operate the transport service being used by the
previous owner or manager of the motor vehicle, the Department shall execute
the transmission of such a license.

48. **Identity card to be put on by seller of passenger ticket:** The format of the
identity card to be put on by a seller of passenger ticket of the enlisted
transport service operating the public motor vehicle shall be as referred to in
Schedule-55.

49. **Format of passenger ticket:** The format of the passenger ticket of the enlisted
transport service operating the public motor vehicle shall be as referred to in
Schedule-56.

50. **Bills of carriage of cargo:** The employee of an enlisted transport service
operating a cargo motor vehicle shall receive fares from the owner of cargo
concerned in consideration for the carriage of cargo and issue a bill thereof in
the format as referred to in Schedule-57.

51. **Passenger manifesto:** (1) The format of passenger manifest to be prepared by
the owner or manager of the enlisted transport service operating on long and
medium routes pursuant to Section 100 of the Act shall be as referred to in
Schedule-58.

   (2) The passenger manifesto to be prepared in the format as referred to in
Sub-rule (1) must also include the names of passengers who get in the motor
vehicle at various stops, in addition to those who are in the motor vehicle at the
time of its departure, and a copy of the passenger manifesto must be given to
each of the police offices and check posts situated at various points of the road.
Chapter-7

Provisions relating to insurance

52. **Insurance of employees serving in transport service:** (1) The vehicle owner or manager who is operating transport service shall, in the course of procuring for an accident insurance pursuant to Section 149 of the Act, cause to make available the insurance amount to the Driver, Conductor, Checker, Helper, Security Personnel or any other staff in a case of death, grievous hurt and medical expenditure, as referred to in this Rule.

(2) While procuring for an insurance pursuant to Sub-rule (1), insurance amount for the death shall be Five Hundred Thousand Rupees.

(3) If a person as referred to in Sub-rule (1) dies due to the accident of a motor vehicle, the owner or manager of the such motor vehicle shall, immediately provide an amount of Twenty Five Thousand Rupees to the heir of the person who so dies for his/her cremation and last rites as per his/her custom/tradition and the owner or manager may reimburse such an amount from the insurance amount as referred to in Sub-rule (2).

(4) The insurance for a grievous hurt pursuant to Sub-rule (1) shall be as mentioned hereunder:

<table>
<thead>
<tr>

(b) At the rate of Five Hundred Rupees for each day of Hospitalization not exceeding Thirty days to meet the waiter and miscellaneous expenditure.

25 55a. **Certificate of insurance and Insurance Policy:** The owner or the manager of a motor vehicle shall compulsorily keep the insurance certificate and insurance policy procured pursuant to this Chapter in the motor vehicle.

26 55b. **Submission of insurance certificate and Insurance Policy:** The owner or the manager of the motor vehicle shall, submit the certificate of insurance and

---

25 Inserted by the Second Amendment.
insurance policy to the Chief District Officer of the District where such an accident takes place immediate after the accident, in the case of accident of the motor vehicle.

2755c. **Authority to handover the insurance amount and time frame for the same:** After receiving the insurance certificate and insurance policy pursuant to Rule 55b, the Chief District Officer shall handover the insurance amount pursuant to this Chapter to the heir of the deceased, in a case of death due to the accident, within Twenty One days from the date of accident and to the person concerned within Three months from the Insurer (*Bimak*) in front of the motor vehicle owner or the manager.

2855d. **Responsibility of the motor vehicle owner and manager in relation to the insurance:** (1) In a case where the owner or the manager who is operating transport service, has procured a insurance pursuant to these Rules, he/she shall not be liable for an additional amount which is stipulated in such insurance policy.

(2) Notwithstanding anything contained in these Rules, it shall not be considered to have created any hindrance, to procure the insurance policy which is more than the amount as so mentioned in these Rules by the owner of manager or the vehicle.

2955e. **Insurance may be procured through the transport company:** The owner or the manager of the transport operating service may procure insuring policy through a transport service related organization in the course of procuring insurance policy pursuant to this Chapter.
Chapter-8

Operation of training centre, factory and workshop

56. **License to be obtained to operate training centre, factory and workshop:**

(1) A person, firm, company or organization intending to obtain a license to run a training activity for driving a motor vehicle or to operate a driving training centre or a factory for construction of bodies of buses or trucks or a automobile workshop shall, pursuant to Section 159 of the Act, make an application to the Department in the in the format as referred to in Schedule-59, accompanied by the following documents and the fees as referred to in Schedule-3:

(a) Citizenship certificates of the proprietors, partners or first directors intending to run training centre, factory or workshop,

(b) If the training centre, factory or workshop intended to be run has already been run previously by any other name, the registration certificate, income tax registration certificate and tax clearance certificate of the same,

(c) The memorandum of association and articles of association of the training centre, factory or workshop intended to be run,

(d) Description of the employees, conductors and other workers who work in the training centre, factory or workshop intended to be run.

(2) If an application is made pursuant to Sub-rule (1) and the Department, upon making necessary examination of the application, finds it appropriate to issue the license to operate such a training centre, factory or workshop, the Department shall make entry in the register as referred to in
Schedule-61 and issue the license to operate the training centre, factory or workshop, in the format as referred to in Schedule-61, subject to the Act and the other provisions set forth in these Rules.

57. **Classification of service:** (1) The Department may make classification of firms, companies or organizations operating training centres, factories or workshops registered pursuant to rule 56, on the grounds of capital, technology, quality, human resources and other matters.

   (2) The Department may, from time to time, make inspection, as required, as to whether the firms, companies or organizations classified pursuant to Sub-rule (1) have observed such terms and maintained such quality as required to be observed and maintained by them.

**Chapter-9**

**Remuneration, terms of service and facilities of employees of transport service**

58. **Functions and duties of driver and conductor:** The functions and duties of the driver and conductor serving in the transport service shall be as follows:

(a) **Functions and duties of driver:**

   (1) To drive carefully the motor vehicles in his or her custody,

   (2) To honestly observe the orders and directions given by the owner or manager of motor vehicle in relation to the operation of the motor vehicle,

   (3) Not to allow the motor vehicle driven by him or her to be driven by another person without the consent of the owner or manager of motor vehicle,

   (4) Not to do any act prohibited from being done by a driver during driving,
(5) To get the conductors working on the motor vehicle in which he or she is serving to perform such functions and duties as required in the course of driving the motor vehicle,

(6) In the event of arising any difficulty with motor vehicular movement due to a possible accident while driving, mechanical condition of the motor vehicle, condition of the road and lacking of traffic signs, among others, to give information thereof to the owner or manager of motor vehicle concerned, Department or Office,

(b) Functions and duties of conductor:

(1) To behave with passengers in a polite manner,

(2) To make proper arrangements for the safety of cargo of passengers, and if any passenger leaves any cargo or articles in the motor vehicle, to hand over such cargo or articles to the owner of such cargo or articles, if found, and to the nearby police or to the responsible person of the transport service in which he or she is in serving, if the owner of such cargo or articles is not found,

(3) To make arrangements for extending convenience to the extent possible to the women, aged, children and other disabled during journey,

(4) If he or she comes to know that any article prohibited by the prevailing law and in view of security is placed in the motor vehicle, to give notice thereof to the police,

(5) Not to allow the load of cargo or articles to be loaded in the motor vehicle in such a manner as to exceed the ceiling of weight of motor vehicle determined by the motor vehicle manufacturer.
company,

(6) To render necessary assistance to passengers in getting in and getting off the motor vehicle at motor vehicle parking places,

(7) To warn passengers and driver in time about possible accident during driving, and if the mechanical condition of the motor vehicle is not good, to give information thereof to the manager and the concerned Office,

(8) In the event of arising any difficulty with motor vehicular movement due to the condition of road and lacking of traffic signs, to give information thereof to the Department,

(9) To render necessary assistance to the driver while driving the motor vehicle,

(10) To protect and take care of, and prevent any damage to, the motor vehicle in which he or she works as a conductor,

(11) To carry out any order given by the owner or manager of motor vehicle in which he or she serves in relation to the operation of motor vehicle.

59. **Remuneration, conditions of service and facilities of employees serving in transport service:** The provisions relating to the remuneration, conditions of service and facilities of the employees serving in the transport service listed pursuant to Section 93 of the Act and rule 44 shall be as set forth in the Labour Act, 1992 and Labour Rules, 1994.

**Chapter-10**

**Miscellaneous**

60. **Traffic signs:** The traffic signs required to be observed by a driver while driving a motor vehicle pursuant to Section 120 of the Act shall be as set forth
in Schedule-63.

61. **Motor vehicle to be returned:** (1) The means of transportation, caused to be produced before the Police Office by the such office in the course of investigation of an accident pursuant to Section 134 of the Act, shall be returned to the owner or manager of the motor vehicle within Twenty Four hours.

   (2) In case such a motor vehicle is not returned pursuant to Rule (1), the Chief District Officer shall cause to pay an amount of Three Thousand Rupees for holding each day from such Police Office.

62. **Power to frame manuals:** (1) The Department may, as required, frame and enforce manuals in relation to the operation of motor vehicles and the transport management, subject to the provisions set forth in the Act and these Rules.

   (2) It shall be the duty of all the concerned to observe or cause to be observed the manuals as referred to in Sub-rule (1).

63. **Power to make alteration and change in Schedules:** The Government of Nepal may, by a Notification in the Nepal Gazette, make necessary alteration and change in the Schedules.

64. **Repeal and saving:** The Motor Vehicle Rules, 1973 and the National Transport Management Rules, 1971 are, hereby, repealed, and any acts and actions done and taken under these Rules shall be deemed to have been done and taken under these Rules.

---

Amended by the Second Amendment.

**Note:** By the Motor Vehicle and Transport Management Rules (First Amendment), 2004, the words "Ministry of Labour and Transport Management" are substituted for the words "Ministry of Works and Transport Management" used in various places of the Schedules of the Original Rules.

Schedule-4

( Relating to Sub-rule (1) of Rule 4)

Application for registration of motor vehicle

To,

The Chief of Office,

Transport Management Office,

………………………..Zone,

………………………

I/we hereby make this application, accompanied by the chargeable fees and such other proofs and evidences as required, for obtaining initial registration of the motor vehicle with the following description which has been purchased, obtained or ordered in my/our name. I/we apply for the test of the motor vehicle, registration of the motor vehicle in my/our name and issuance of the registration certificate.

1. Name, surname of person, firm, company or organization who has ordered the motor vehicle:

2. Address:
   (a) Permanent:
   (b) Temporary:

3. Father’s or husband’s name and surname (in the case of an individual):

4. Registration number indicated on the motor vehicle (previous):

5. Type of motor vehicle:

6. Name of manufacturing company of motor vehicle:

7. Model number of motor vehicle (year of manufacture):
8. Number of cylinder:

9. Horse power, C.C.:

10. Engine number of motor vehicle:

11. Chassis number of motor vehicle:

12. Colour of motor vehicle:
   (a) Colour of body
   (b) Colour of glass:

13. Type of fuel to be used:

14. Equipment of electronic communication installed in motor vehicle (radio, cassette, telephone etc.):

15. Weight capacity of motor vehicle:
   (a) Total weight:
   (b) Load bearing capacity:
   (c) Number of seats:

16. Use:

17. Area to ply in:

18. Proof of payment of customs duty:
   (a) Name of customs office:
   (b) Customs declaration from number:
   (c) Receipt number:
   (d) Date:

19. Proof of entry registration certificate:
   (a) Name of police office issuing the entry letter:
   (b) Date of issue of the entry letter:
   (c) Entry letter number:

20. Proof of license to import or order:
   (a) Office issuing the license:
   (b) Proof certificate number:
   (c) Date:

21. Description of other evidences:
Applicant's:
Signature:
Name, surname:
Address:
Date:

For the purpose of office:

Description of inspection of motor vehicle:
  Registration number given:
  Date of registration:

Whereas, based on all the details mentioned above and the technical report, it appears appropriate to register the motor vehicle;

Now, therefore, it is hereby submitted for decision.

Inspecting technician's signature:  Section in-charge's signature;
Registering official's signature:

Note:

**Structure of number plate:**

1. A number plate to be affixed to a motor vehicle must be on a plate made from at least 20 gauze metal and in the size as referred to in Schedule-2 of the Act.
2. Figures and letters must be written clearly in the Devnagari scripts on the plate as referred to in clause 1 above and in the colour as mentioned in Schedule-2 of the Act.
3. A number plate of a motor vehicle may contain a maximum of eight figures and letters, which shall be written in two rows, as follows:
   (a) At the beginning of the upper row, the zonal code letter of the motor vehicle registering office must be written, followed by the figure in order to indicate the group of motor vehicle. The figure indicating such a group of motor vehicle may be 1 through 99, as per necessity. This figure must be followed by the code letter indicating the type of motor vehicle.
   (b) The lower row must contain the registration number of the motor vehicle. Such a registration number may contain a maximum of four digits (1 through 9999) in one code letter. After the number reaches
the highest number of four digits (9999) in any one code letter, then other code letter must be give and it may also contain a maximum of four digits (1 through 9999).

**Example:** The number place of a private motor cycle bearing the registration number of 1286 of the first group to be registered with the Transport Management Office, Bagmati Zone, shall be as follows:

<table>
<thead>
<tr>
<th>Ba</th>
<th>1</th>
<th>Pa</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>2</td>
<td>8</td>
</tr>
</tbody>
</table>

Provided that in the case of a number plate to be affixed to the front side of a two-wheeled motor vehicle such as a motor cycle and scooter, it may contain one row in an appropriate size.

4. A number plate of a motor vehicle of a diplomatic mission and of a motor vehicle belonging to any other person or organization entitled to use a diplomatic number must contain the code, figures and letters provided to such a mission and organization for the purpose of motor vehicle registration.

Schedule-54

(Relating to Rule 47)

Application for transmission of license to operate the transport service

To,

The Director General,

Department of Transport Management,

..........................Zone,

..........................

Whereas, the license issued by this Department to operate the transport service with the following details contains the following person/persons as the proprietor/partner or operator(s) but from now-onwards the following person/persons will be the proprietor/partner or operator(s) of the said service;

Now, therefore, I hereby request that the following person(s) be maintained as the proprietor/partner or operator(s) of the said transport service instead of the said proprietor/partner or operator(s) and that transmission be executed to that effect.

1. Name of transport service:
2. Registration number of transport service:
3. Date of registration of transport service:
4. Validity period of license to operate transport service:
5. Names and addresses of the previous proprietor/partner or operator(s) of transport service:
   (a)
   (b)
   (c)
6. Names, surnames and addresses of the proprietor/partner or operator(s) to be maintained as such or in whose favor transmission is made henceforth in the license to operate transport service:
   (a)
   (b)
   (c)

7. Reason for transmission: (Fill up details of purchase, sale, gift, donation or settlement of heir, etc.)

8. Situation or consequence post transmission:
   (a) Transmission of entire capital or ownership of transport service; or
   (b) Only change of name of the proprietor/partner or operator(s).
   (c) Situation of registered, running and authorized capital of the transport service:
   (d) In the event of alteration of the motor vehicles plying in the name of the transport service, details thereof:
      (a)
      (b)
      (c)
   (e) If there is a change in employees and workers in service in the transport service, details thereof:
      (a)
      (b)
      (c)
   (f) Other terms and details:
      (a)
      (b)
10. Submitted documents:
   (a) Citizenship of both the receiver and the giver:
       Giver's: District: Citizenship certificate number:
       Receiver's: District: Citizenship certificate number:
   (b) Renewal of income tax registration certificate:
       (a) Office:
       (b) Date:
       (c) Period
   (c) In the case of transaction in the name of an organization/firm/company, a letter issued by the concerned:
       (a) Reference number:
       (b) Dispatch number:
       (c) Date:
   (d) If a representative or attorney has been appointed, a certified copy of the letter thereof, citizenship certificate or identity card of the attorney:
       (e) Fees paid for transmission, receipt number and date:
11. Other documents and evidence:
   (a)
   (b)
   (c)
   (d)
   (e)

The contents mentioned herein are true and correct. If proved otherwise and this transmission is voided, I/we am/are ready to bear and pay any punishment for the same, in accordance with law.
